

Croquet News

The croquet group continues on Mondays at the Northern Tasmania Croquet Centre in the St. Leonards Sports Centre and Wednesdays at the East Launceston Croquet Club on the corner of High and Adelaide Streets. Croquet is an easy to learn mallet sport and is a very social sport. There are a lot of cheers as players score hoops.

There has been a slight decline in numbers this term as some members decided to join the club to enable them to play competitions. So come along and join the group for passive exercise and fun.
