# Syllabus

## Term 1, 2021

**Registration Day:**  
February, 12th, 13th - 2021  
9.30am – 12.00pm

# REGISTRATION

All classes in rooms 2, 3, 4 and Art will be restricted to 12 members and room 1 will be restricted to 10 members. Registration Day will have 2 parts.

On **Friday 12 February**, between 9.30am and 2.30pm, we will conduct a one off 'phone in day' for members who have no computer or limited computer skills. We trust that members who are capable of registering online will wait for that option to be available, as many members do not have computers and must be given a fair chance to register. Four 'phone in' members will be registered in each class along with the class tutor. After this limit is reached, a wait list will be established.

We recognise that some members who have computers may need assistance from family or friends so **online registration** will take place on **Saturday 13 February**. The registration system will be opened at 11.00am for online registrations and when the class limit is reached, members will be put on a waitlist. Online registrations can be paid at the same time via PayPal or credit card.

Any registration that has not been paid prior must be paid at the office on Monday 1 March or Tuesday 2 March. Members cannot participate in classes until they are financial. Anyone not financial by Wednesday 3 March will be replaced in the class by the next wait-listed member.

We will send a reminder to current members prior to registration day. The school Syllabus will be available on the school website. And your guide to online registration is below.

## **Course 1 – Appreciating Poetry**

11.00pm – 12.00pm | 8 High Street | Room 3

In this course we'll read and talk about poems from all times and cultures, poems from the earliest known works to ones written last week. There will be laughter, possibly tears and many surprises.

As the Welsh poet Dylan Thomas said,

“I could never have dreamt that there were such goings-on  
in the world between the covers of books,  
such sandstorms and ice blasts of words,  
such staggering peace, such enormous laughter,  
such and so many blinding bright lights,  
splashing all over the pages in a million bits and pieces  
all of which were words, words, words, and each of which were alive  
forever in its own delight and glory and oddity and light.”
